

Winterset in Summer Literary Festival is currently seeking new members to its Board of Directors.

In 2021 we are celebrating our 20th anniversary. The festival program typically spans four days in August in Eastport NL. Board members have come from all over the island, but it has always been important to have representation from the Eastport peninsula. This respect for a strong regional voice and our commitment to diversity are key considerations in board selection.

We are looking for keen, energetic members who will play a central role in implementing our strategic plan and help us plan for the next 20 years! Part of the work involves serving on one of our board committees, such as Programming, Marketing, Fundraising, or Strategic Planning, as well as attending scheduled Board meetings.

If you are interested in being considered as a WIS Board member, please submit an expression of interest to this email address by the end of April, 2021: coordinator.winterset@gmail.com

Please tell us why you wish to become a Board member, what experience you might have had of the festival, and anything else you wish to include that would be helpful to your candidacy.
