Winterset in Summer Literary Festival 2020 – Reimagined

The COVID-19 pandemic has changed the way we lead our daily lives and it is also affecting the way we experience our social time, including cultural events. With that in mind, the Board of Directors of Winterset in Summer is reimagining the 2020 Festival. We will not have any in-person sessions in Eastport, NL this year. However, we are planning some level of virtual programming that will be rolled out later in the summer. Updates will be released as they become available.

We remain committed to our writers, musicians and audiences.

We wish to thank our funders, sponsors, Friends, and audiences for their on-going support.

We will be back in Eastport in 2021 from August 12th to 15th.
